Our Vision statement:

“Every member of the African Security Forces honoured before God’s throne”

Dear Supporters,

We last wrote to you in January 2022. I do trust that the presence of the Lord is felt at the level of your spirit and brings you peace in the midst of life.

When last writing to you, we were working with the Angola Bible Society and the Brazilian Bible publishing house to print 10,000 Bibles. Those Bibles are not only now printed but are in Angola and being distributed to the military. The following is a letter from the head of the Bible Society in Angola when the bibles were received into their warehouse about one month ago. You will see from the tone of the letter how appreciative people are to receive the Word of God. This is the first time that the Angola Bible Society has been able to present the Bible to the Defence Forces of that country. The government does not provide Bibles to the soldiers - this is an amazing statement for the year 2022.

Dear Roger,

Warm greetings from Angola.

Hope you, your family and your team are doing well by the God’s grace.

Psalms 126:3 “The Lord has done great things for us, and we are filled with joy”.

Is with gratitude that we write this email, to inform you that the Scriptures for defense force of Angola is already in our warehouse. During this days, we are working in the distribution plan.

For the first time, the Bible Society of Angola will present the word of God for the defense force of the country. We thank God for this great grace.

As well to inform you, that the clearing agent is working in the customs clearance expense. As soon as we get it, we will inform you.

Yes, indeed, we can start working for the next year order.

All steps we will update you.

Remain blessed!

On behalf of the Board of Operation Africa I can only thank you for your contribution. It will only be when we get to Heaven that we will get some sense of the impact and value of 10,000 Bibles produced as God’s Word going forth, for Scripture tells us it cannot return to Him void.

Bibles for all Members of African Security Forces

The cost of this project including Customs clearance expenses, now stands at US\$75,000 for 10,000 Bibles. Unfortunately, this is approximately \$3 more than we have paid in the past and there is little that we can do to avoid the change in costs e.g. shipping. However, we would appreciate your prayers in this area, for our God is well able to do exceedingly abundantly above all we ask or think.

Meanwhile, we will work with the Angola Bible Society for another 10,000 Bibles and attempt to reduce the price. I think sometimes it is useful to pause and consider the size of a crowd of 20,000 men and women and get a sense of the joy and emotion that they genuinely express for receiving this wonderful Book. It is so easy in our society, where we can walk into a bookshop and choose from 20 or 30 written versions, or download an electronic copy, that we can take access to His Word for granted.

The Military Chaplains will be so thankful to be able to conduct prayer and other meetings wherein the attendees have a Bible in language of choice, which in this case is Portuguese.

Thank you.

It is our expectation that when we write again in six months there will be an extension of this story and the beginning of a project into Malawi.

As always, the size of our dreams is limited by the available finances and if you could introduce a friend to Operation Africa via our website (www.operationafrica.org) this would be most appreciated.

*The Lord bless you and keep you,
The Lord make His face shine on you and be gracious to you,
The Lord turn His face toward you and give you peace.*
